

Appl. No. : 10/768,534  
Filed : January 30, 2004

REMARKS

Claim 1 has been amended to include the limitations of Claims 12 and 13. Claim 14 has been amended to depend from amended Claim 1. Claims 12 and 13 have been cancelled. Applicants believe that none of the foregoing amendments have added new matter to the application.

These amendments are being made to pursue earlier allowability of the patent application. Applicants reserve the right to pursue the originally-filed claims, as well as other claims of broader scope than those currently pending in the present application, in a continuation application.

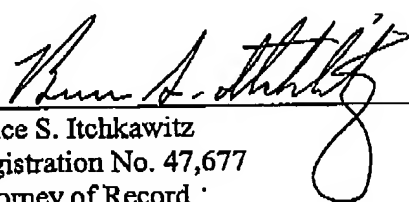

All of the claims currently pending in the present application are believed to be allowable over the prior art, and such action is earnestly solicited. If, however, any matters remain which could be resolved by Examiner's Amendment, the Examiner is cordially invited to contact the undersigned by telephone so that any such matters can be promptly resolved.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
